

**The University of the Third Age**, or U3A, is a world-wide organisation of more than fifty years standing and offers a range of activities aimed at stimulating and supporting retired or semi-retired people.

*At U3A Strathalbyn we actively encourage people of any age to join. We have adopted this policy largely to encourage interaction between the generations with a view to promote understanding and share ideas and values. Modern-day segregation has done little to elevate the value and wisdom of the older generation, nor the skills that the younger generations can share.*

*Our membership is not restricted to residents of the Strathalbyn area.*

#### **MEMBERSHIP FEES .**

The payment of an annual membership fee of **\$50** entitles members to attend any course and special events listed in the program. Some courses attract a venue fee and a charge for materials. For further details please refer to the enrolment form. If you join any time after 1 July, all fees are reduced by 50%.

Membership is free for Activity Leaders.
